

## HERE AND THERE

by BETSY-ANN

Thomas N. Cook, formerly of Narberth, has joined the American Field Service. He left for Italy to drive an ambulance for the British Army. Tom is the son of Mr. and Mrs. Ralph T. Cook of 112 Essex Ave. He is a graduate of Lower Merion and of Haverford College in 1938. The American Field Service was organized during the last war. It has no connection with the American Red Cross, though the work of its members parallels that of Red Cross ambulance drivers in the American Army. Volunteers who are accepted provide all their own equipment—sign up for a year to eighteen months service overseas and receive little more than a few dollars a month. The Cooks live in a very attractive house they built at King of Prussia. Mrs. Cook, the former Monica Batchelor, daughter of John Batchelor and Mrs. Batchelor of 308 Essex Ave., is employed in the office of County Controller, Frank P. K. Barker, at the Court House.

Staff Sergeant Mathias Gill of Elmwood Ave. was home on seven day furlough from Camp McCain, Mississippi.

Captain Robert Troup of Penn Valley home for six days from Camp Legune, North Carolina.

Lieutenant Richard Cabrey of Windsor Ave. back from maneuvers in the South. Will report to Camp Phillips, Kansas, after 15 day furlough.

Gene Macchi, A. S. T. P., of Cynwyd, is home for three days from Carnegie Tech, Pittsburgh.

Storekeeper P. C. Howard W. Thompson, of Fleetwood, N. Y., now stationed at Haverford, N. J., awaiting assignment as a member of the crew of the battle cruiser Alaska now building, visited his cousin, Mrs. May K. Cameron and her husband, Robert M. Cameron of 105 S. Narberth Ave. one night recently. Thompson who took his "boot" training at Sampson, N. Y., reported losing 15 pounds en route.

Speaking of Bob Cameron—looked for him at "Board of Health" meeting Tuesday night, but when last seen he was polishing panes—could it be Spring housecleaning?

Pfc. Paul Craner of the Beechwood Apartments left Tuesday for Camp Forest, Tenn., after an 11 day furlough. He was accompanied by his wife who will spend some time with him.

Met a man who had just caught up with some opinion. "They look so luscious," he said, "I don't know whether to eat them now or plant them and hope. Last year I raised mostly tops."

There are five little "paying guests" at the "Play House" now. Last week there were only two. Its really working out beautifully. Stop in at 110 Forest Avenue someday. I'm sure Mrs. McConaghy will be glad to show you how she entertains the "ladies."

Last Sunday was truly a May Day. It was warm enough to stretch out in a deck chair on the lawn. The magnolia trees were in full bloom and the cherry trees and all the flowering shrubs. What a glorious sight against a background of early spring foliage. If we could only have weeks of days like that wouldn't it be perfect.

## \$2400 Raised For Salvation Army

### Large Gallery Watches Celebrities On Bala's Course

On last Sunday afternoon Edward Dudley, president of the U. S. P. G. A. teamed with "Sonny" Fraser, the long driving amateur champion of New Jersey, and played Woodie Platt and Jug McSpaden over Bala Gold Club's 18 holes in the final act of the Salvation Army War Fund Drive. The day was perfect and the large gallery enjoyed the great shooting and showmanship of the four golfing celebrities.

Sonny Fraser almost drove the third and the 17th greens, while Woodie Platt matched him, and at times and occasionally outdrove the long driving Sonny. Jug McSpaden with the shortened clubs surprised with his grand long game, and on the 18th outdrove the field. When it came to the short game Jug played with a confidence that was inspiring, and despite a four on the 6th, where he seemed to ease up a bit, shot both nines one under par and finished with a grand 66 to the gallery's delight. Ed Dudley played with his unusual smooth rhythm and caught Jug on a day when the latter was "hot."

The affair raised the total for the Salvation Army to close to \$2,400 to the great surprise and delight of the Salvation Army girls, who just "can't believe it's true." Griff Boardman, chairman of the affair, was an efficient executive. He saw that nothing was overlooked in order to make this drive for the "Army." As a result, Bala is rated high in the Roll of Honor of the organization that believes "A man may be down but never out."

### Garden Club To Have Meeting

The Penn Valley Garden Club will meet Monday, May 8, at 10:30 A. M. in the All Saint's Church, Wynnewood.

The club will hold a plant sale. The speaker will be Miss Iva B. Warner, whose subject will be "Fragrance."

Thursday, May 4, the executive board of the club met with Miss Fanny Loe, of Haverford Ave., Narberth.

## Chaplain Tells of Servicemen Needs

### Commander Reports Post Exceeds Membership Quota

Spiritual and material needs of service men were discussed by Chaplain Raymond C. Shindler, U. S. Navy Hospital, Philadelphia, at Harold D. Speckman, American Legion Post, last Thursday night.

Boys in the service came to him with all sorts of problems which touch on every phase of life from religion to liberty, he said.

Chaplain Shindler stressed the fact that the boys liked good girls, especially when they thought of them as wives and mothers.

Dignity District Commander Harmon spoke of the problem of jobs for the boys after the war. He mentioned the thousands of boys who have been trained to be expert mechanics and who, under the law, are entitled to a mechanic's job when they return home.

These boys may have been butchers or bakers, or of any trade—but now they are expert mechanics. There will be an over supply of expert mechanics and the problem will be to find suitable jobs for these men—in jobs in which they will be happy and satisfied," he said.

Chaplain Shindler of the Post opened the meeting. He said the Legion had gone over its quota for membership for the year, and welcomed any who wished to join. He announced that the American Legion gives a four year scholarship to Temple University for the best essay on the subject, "For This We Fight." This scholarship amounts to \$800 and any senior high school student, girl or boy is eligible.

A request was made at the meeting for donations for sea chests for merchant ships. Anyone having golf, tennis, soccer, or baseball equipment that they can spare, are asked to contact the chaplain, who took his "boot" training at Sampson, N. Y., reported losing 15 pounds en route.

## High Student Wins Historical Prize

### Receives \$10 for His Paper on St. Georges Of Ardmore

A Lower Merion Senior High School student, William Campbell, was awarded first prize at the annual prize essay contest of the Historical Society of Montgomery County in the Norristown headquarters of the Society last Saturday night.

Campbell wrote a paper entitled "History of St. Georges, Ardmore."

Second prize went to a Norristown High School student, and honorable mention to a Springfield Township High School girl. Campbell received \$10 for his historical essay.

Mrs. Stuart B. Molony, Conshohocken, chairman of the essay contest committee, said the papers were "the finest in all the many years of the prize essay contest."

Among the Main Lines present at the reading of the papers was Fred C. Peters, Ardmore, Montgomery County Commissioner. Also Dr. Douglas Macfarlan, Ardmore, who is a member of the Society's board of trustees.

Lower Merion, seldom a contender in baseball, is in second place in the Suburban Section One, having won the pennant in the last inning. The Ford in turn, are tied with Norristown for third place. Upper Darby is setting the pace with three straight victories.

Lower Merion scored its second victory in three league starts at the expense of Abington, 5-3, on Monday, winning out with a 3-run rally in the last inning. The Maroons have been hitting well in the pinches, have been getting good pitching and has a season's record of seven victories against only one defeat.

L. M. will have a chance to avenge its only reverse when it enters Haverford next Thursday.

Haverford just hasn't been able to buy a hit in recent games. The proteges of Coach Allie Cornog got only two hits in dropping a 1-0 decision to Upper Darby on Tuesday. Upper Darby is undefeated in dual meet games. The Maroons' most recent victory was over North Catholic, leading contender.

Upper Darby High will be heavily favored to win the annual Delaware County track field championships at Lansdowne Saturday, May 6. The Royals have rolled up 90 or more points against every 90 in dual meet competition. They'll be challenged next Wednesday at Upper Darby by Lower Merion, which also is undefeated in dual meet games.

Most recent victory was over North Catholic, leading contender.

## SPEAKER

JOHN B. KELLY  
Head of Physical Fitness Program speaks at meeting of Main Line Lions Club.

## Free Soldiers From Debt, Says Kelly

### Physical Fitness Head Speaks at Lions Club

John B. (Jack) Kelly, director, chairman of the physical fitness program of the United States, spoke at the Main Line Lions Club meeting, at Haverford Court Hotel, last night.

Kelly gave a very clear analysis of the physical and mental condition of the American soldier, and the things for which he is fighting.

He spoke sympathetically of Finland, as the one nation which honored its debts after the last war. He then mentioned that chivalry begins at home, and instead of giving our soldiers a heritage of debt we should give him an opportunity to engage and succeed in whatever line of business or endeavor he may choose, without dictation from labor organizations, bureaucrats and farm federations.

Kelly's speech made a great impression on all present and inspired a new Bill of Rights for young Americans engaged in titanic struggle.

Kelly was introduced by Barney Fischer.

Joseph M. Baltz, president of the club, presided.

## Pitcher Wins Game On Triple in 12th

### Clippers Take First From Narberth Boys' Club

Our Mother of Good Counsel Baseball Team won the opening game of the current season on April 30 when it defeated the Natalie A. C. of Ardmore 7-5 in the twelfth inning.

The Natalie A. C. got four runs in the third inning on three hits and two errors, but O. M. G. C. shut out the three getting in the half of the third inning. In the sixth, the Nats went ahead again when two hits and an error gave them a much needed run. But in the eighth, the Clippers, who had enabled O. M. G. C. to again tie the score and send the game into extra innings. From there on the game was deadlocked until the last of the twelfth when Ray DeSert pitched the game ice with a triple, sending two teammates home ahead of him.

Reds Hammonds and Charles Devlin shared hitting honors with Ed McConaghy of Natalie A. C. Each of the three getting in the half of the third inning. In the sixth, the Nats went ahead again when two hits and an error gave them a much needed run. But in the eighth, the Clippers, who had enabled O. M. G. C. to again tie the score and send the game into extra innings. From there on the game was deadlocked until the last of the twelfth when Ray DeSert pitched the game ice with a triple, sending two teammates home ahead of him.

Next Sunday, May 7, Natalie A. C. plays host to Narberth in the Suburban Section One game at 6:30 P. M. at Lansdowne in Philadelphia.

Lower Merion scored its second victory in three league starts at the expense of Abington, 5-3, on Monday, winning out with a 3-run rally in the last inning. The Maroons have been hitting well in the pinches, have been getting good pitching and has a season's record of seven victories against only one defeat.

L. M. will have a chance to avenge its only reverse when it enters Haverford next Thursday.

Haverford just hasn't been able to buy a hit in recent games. The proteges of Coach Allie Cornog got only two hits in dropping a 1-0 decision to Upper Darby on Tuesday. Upper Darby is undefeated in dual meet games. The Maroons' most recent victory was over North Catholic, leading contender.

Upper Darby High will be heavily favored to win the annual Delaware County track field championships at Lansdowne Saturday, May 6. The Royals have rolled up 90 or more points against every 90 in dual meet competition. They'll be challenged next Wednesday at Upper Darby by Lower Merion, which also is undefeated in dual meet games.

Most recent victory was over North Catholic, leading contender.

## Narberth Signs Shuchman; Champs Play Bendix Sunday

Olle Shuchman, the fleet little outfielder who made history with Gladwyne two years ago, has received his medical discharge after more than a year in the Army and will return to the Main Line Baseball League this summer as a member of Narberth's defending champions.

Shuchman is expected to replace the hard hitting Ted Sobczak, Narberth outfielder who has moved up to Albany of the International League. Shuchman batted .278 last season with Gladwyne, and hit .316 in the 1942 championship series when he was drafted by short-handed Manoa.

Shuchman will be one of the few new faces in the Narberth lineup as Managers Gene Davis and Jimmy Keyes are figuring on at least 11 veterans returning. The 46-year-old Buddy Walker will be back at his old stand at first base and all the other infielders from last year are expected to be available, namely George Myers, Bill Ott, Russ Herrmann and Sgt. Angelo Musi. Only question mark is Musi, who hasn't been heard from, but he's supposed to still be stationed at Aberdeen and thus would be able to play.

Outfielders returning include Al Cotton and Bill Tyson. Bob Yeasby, a V5 student at Penn. or Harry Graf, a newcomer from the East Penn and Philadelphia Industrial League, will probably do the catching. Pitchers Jim Craig, Lefty Tomlinson and Al Herrmann give the champions plenty of strength on the mound.

Among new candidates are infielder Harold Long and catcher Jimmy Crossmore, two promising youngsters from West Philly High, and an outfielder by the name of Moore, who's supposed to have played at Loyola College, Los Angeles.

Narberth held its first drill last Sunday and will tune up for the May 21 league opening with a regulation practice game with Bendix A. A. this Sunday. Buddy Simon, former Narberth pitcher, is manager of the Bendix team.

Narberth will learn its league schedule Monday at a meeting of the league at the recreation room of the Montgomery Court Apartment.

Friday, 10:45 A. M., the executive board will hold its meeting at the Club House. The annual business meeting and election will be at 2 P. M. Polls for voting will be from 12:30 to 2:30 P. M. All chairman must be present and have annual written reports.

There has been a change in the art exhibit as Mrs. Arthur M. Bryan, the artist, is still in Texas and has been visiting. The art exhibit consists of a collection of Mrs. John Ford of Narberth to take Mrs. Bryan's place.

There will be a tea and the tea committee consists of Mesdames E. J. Lyons, Lyndell Black, E. Bjong, Walter E. Black, Albert Blair, John V. Blake, H. L. Beger, W. D. Boyle, James F. Bradley.

## Sportsmen Protest Schuylkill Filth

### Gun Club Resolution Passed At Narberth Meeting

The Lower Merion Rod and Gun Club at a meeting last Wednesday evening in the American Legion Hall, Narberth, unanimously voted to write a letter to the Pennsylvania Sanitary Water Board, joining thousands of individuals and organizations throughout the Schuylkill Valley in protesting against the filth of the Schuylkill River. The Lower Merion Rod and Gun Club has been affiliated with the Schuylkill River Valley Restoration Association since the latter association organized in September of 1939.

A communication from the Schuylkill River Valley Restoration Association advised the Lower Merion Rod and Gun Club that in recent weeks, urged on by the rising tide of public opinion, the City of Philadelphia, the State of Pennsylvania and various Pennsylvania representatives in the Federal Government have been working toward a solution for pollution of Pennsylvania's streams.

Philadelphia, through its Mayor, has placed adequate sewage disposal at the top of its postwar planning list.

The State Sanitary Water Board, following the recent decision by State Attorney General James H. Duff, has held four hearings on Schuylkill Pollution and has promised at last to order coal companies to discontinue dumping of coal into the streams of Pennsylvania.

Finally, members of the House of Representatives in Washington (principally Representative Hoag) are at this time seeking an amendment to the Federal River and Harbor Act to fund an appropriation which will be sufficient to remove the approximately 30,000,000 tons of coal still now in the bed of the Schuylkill River.

## Report Main Liners Missing, Wounded Over the Weekend

Two Main Liners were reported missing and one wounded over the weekend.

Elmer G. Wright, 23, of Merion, formerly of Philadelphia, has been reported missing in Italy. A son of Clifford and Dorothy (Gay) Wright, he is a graduate of Colgate University. The Wrights before moving to the Merion home, lived near the Mission. His father is an official at the Charles P. Cochrane Co., Bridgeport.

Also listed as missing in action over the European area over the weekend were: 1st Lt. Alvin E. Kocher, 123 Walnut Ave., Ardmore; 2nd Lt. James A. Morris, 148 Grandview Rd., Ardmore.

Private Benjamin P. Scott, 22, of Highland Lane, Bryn Mawr, was wounded on February 22, in Italy and is still in a hospital, his mother, Mary, was informed. He was graduated from Radnor High School and enlisted in October, 1942.

Services Held For Timothy Blong

Services were held Wednesday, April 3, from Saint Margaret's Church, Narberth for Timothy Blong, 87, of 309 Woodside Avenue, Narberth.

Mr. Blong is survived by his wife, Elizabeth Wilson, and nine children; Peter, John, Thomas, Irene, Elizabeth, Joseph, Timothy, Jr., and William.

Interment was in Saint Dennis Cemetery.

Bryn Mawr, Ave. Sale

C. Harry Johnson has sold Cor Rosa G. Hughes, Laing Road, a property, 2442 Bryn Mawr Ave., having a frontage on Bryn Mawr Ave. of 200 feet and depth of 385 feet to 61st St.

The price was \$15,000.

## Mrs. F. M. Robb to Head Jr. Women

Club to Reduce All Activities During Wartime

On April 27, at the Junior Women's Community Club of Narberth election of officers was held as follows:

President, Mrs. Frederick M. Robb, Jr.; first vice president, Miss Margaret Robertson; corresponding secretary, Mrs. Louis I. Betzow; director, Mrs. Harry E. Benet.

Two motion picture films with sound recordings were shown by Frank Connolly, education and information specialist of the United States Forest Service, Department of Agriculture.

Before the showing of the first film entitled "The Forest Ranger," Connolly spoke on the importance of conservation, not only of wood, but protection and preservation of all natural resources. He also stated in his discussion that the primary responsibility of the Forest Service is the management of the National Forests.

The second motion picture was an Army community showing action in the South Pacific. This Official war film released by the War Department was made up of Combat Film Units entitled "Hitting the Beach," "Dog Fight," "Sunday Morning," "Crash and Goes G. I.," and "Hitting the Silk."

Connolly was presented by Mrs. George P. Kramer, chairman of the Conservation Committee. Mrs. Louis Dever and her committee served refreshments.

A discussion was conducted in connection with revising and streamlining the club's program for the coming year to meet wartime conditions.

It was decided that monthly meetings would be held, rather than semi-monthly meetings, and that fewer, but more active committees be formed to carry on and hold interest in all club activities.

The following committees were voted: drama and music combined, literature, fellowship and membership, Red Cross and welfare, hospital and house, and press. Plans for the formation of these groups will be completed in the Fall.

## Monthly Baby Clinic At Community House

A baby clinic, under the auspices of the Community Health and Civic Association, was held at the Community House on Wednesday, May 3, from 7:30 P. M. to 9:30 P. M. at the Legion Room, Windsor Ave., Narberth.

The purpose of this meeting will be the election of permanent officers of the club and the discussion of the various activities for the coming year.

Members of the executive committee present were: Otto B. Duer, Dr. E. R. Disbrow, E. J. Lyons, Lyndell Black, E. Bjong, Walter E. Black, Albert Blair, John V. Blake, H. L. Beger, W. D. Boyle, James F. Bradley.

The babies are provided the best attention medically. Dr. Stewart Folk, one of the leading pediatricians, has been a regular attendant and adviser toward the development of the youngsters physically.

## Appointed Staff Writer

Aviation Cadet George M. Williams, son of Mr. and Mrs. J. R. Williams, Jr., 513 Greenwood Ave., Wynnewood, has been appointed staff writer of The Cadet News, a cadet publication of the pre-flight school at Maxwell Field, Ala.

After the Rev. B. L. Scott, president of the Federation, opened the meeting with prayer, John M. Brister, new president of the volunteers committee, explained the general set up of the volunteers.

Mrs. Henry Couley, former chairman of the Delaware County Welfare Council committee on volunteers and speaker for the afternoon congratulated the group on its organization. She said:

"There is a great need for proper recreation for young people living in a community, as for the soldiers and sailors who are transients. Some family agencies have recreation programs. Most parent education might help with delinquency. Mrs. Couley also suggested that schools might have nursery schools attached to them where the older children could be trained to look after the little ones."

"Let the boys come back to better conditions than they left! It is not too soon for post-war planning."

## Equips G. I. Joe

Commanding General of the Service of Supply in the European invasion theatre is General Lee, who formerly made his home at 17 Overhill Rd., Cynwyd. While living on the Main Line he was Army district engineer for Philadelphia and vicinity. It is his job to see that every G. I. Joe has shoes, cigarettes, guns, planes—all the equipment he needs to win the war quicker and reduce physical hazards to a minimum. He is a high-powered executive but quiet and soft-spoken.

"Never before has an army been so dependent upon the things which are being manufactured at home," declares General Lee.

While assigned to the Philadelphia area, General Lee directed the Army engineers survey to determine the extent of the culm deposits in the Schuylkill River.

## Organize Club For Narberth Boys

### Committee Selects Officers to Direct Activities

On April 28, a meeting of the executive committee of the Narberth Boys' Club was held in the home of Robert Hobson, 105 N. Narberth Ave., Narberth.

The purpose of the meeting was to organize a Narberth Boys' Club in the Borough of Narberth to promote boys activities for boys under 18 years of age the year round.

A constitution was drawn up, presented to the group and adopted. The following officers of the executive committee were elected:

Chairman Otto B. Duer; vice chairman, Eugene Horan; secretary Donald H. Reed, and treasurer, Robert Hobson.

The following appointments were made by the Chairman: Director of athletics, Howard D. Hatfield; assistant director of athletics, Joseph Farley; baseball manager, Al Cotton; publicity director, Donald H. Reed.

The committee called a meeting of all boys under 18 years of age to be held Friday, May 5, at 7:30 P. M., at the Legion Room, Windsor Ave., Narberth.

The purpose of this meeting will be the election of permanent officers of the club and the discussion of the various activities for the coming year.

Members of the executive committee present were: Otto B. Duer, Dr. E. R. Disbrow, E. J. Lyons, Lyndell Black, E. Bjong, Walter E. Black, Albert Blair, John V. Blake, H. L. Beger, W. D. Boyle, James F. Bradley.

## ALBRECHT PETITION IS DENIED BY BOROUGH ADJUSTMENT BOARD; MAY TAKE CASE TO COUNTY COURT

### Unable to Show They Suffered From Undue Hardship, Says Board; Hearing Was Held In Borough Hall, April 11

The Narberth Board of Adjustment announced this week that it had denied the petition of John Albrecht Nurseries to erect a building on the rear of its property, adjacent to the Shirley Rd. residential section.

The board's decision was unanimous. Hearing on the petition to erect the shed, which Conrad Albrecht said would be used for storage, was held April 11 in Narberth Borough Hall. Residents living on Shirley Rd. testified the shed was undesirable and would result in a depreciation of property values.

Frank H. Mancill, representing Albrecht, said that construction of the shed was a natural and necessary development of his property. He contended that by being first to erect the shed his client had prior property rights.

In handing down its decision this week the adjustment board said:

"It was based on the conclusion that while the Albrecht people have a right to use their property in connection with their general nursery business, they do not have a right as such to erect any additional non-conforming structure inside the residential area of their property unless they are able to show that they would suffer an undue hardship if they were denied the right to place those structures on the sites that they proposed."

The Board decided that these conditions had not been complied with nor indicated in the sworn testimony at the public hearing, and for that reason the application is denied."

Both Albrecht officials said yesterday that no action on the decision of the adjustment board would be taken until sufficient time elapsed for Albrecht to make an appeal. It was understood at the hearing that the petition was denied an appeal would be made to Montgomery County Court.

They said that it was an unusual case because the permit had been erroneously issued and the decision was virtually completed. Previous decisions had been handed down before construction was underway.

At the hearing virtually all residents in the neighborhood of the John Albrecht Nurseries at Montgomery Ave. and Shirley Rd., Narberth, turned out to protest erection of the building.

## Veteran Problem Is Studied by Legion

### Soldiers Want Return To Normalcy, Says Red Cross Leaders

Representatives of the Main Line Branch of the American Red Cross discussed the problem presented in the rehabilitation of veterans of the present war with members of the general committee for Lower Merion, Narberth, and Conshohocken at the Bullock Sanderson Post, American Legion, Monday night.

Mrs. Henry C. Earnshaw, chairman, and Mrs. Meta Van Haagen, executive secretary, told members of the committee of the work the Red Cross has been doing with returning veterans.

Henry Harman, chairman of the committee, appointed a new policy committee to prepare an operating organization to properly study the problem and case during that future date when large numbers of service men will be discharged. Mrs. Earnshaw pointed Mrs. Van Haagen to serve as the committee in an advisory capacity.

Mrs. Van Haagen said that our men most of all desire a return to normalcy. Along that line a committee member said that he had found that the men are more concerned over their futures in civilian life than their fate in an imminent clash with the enemy.

The committee asked the Red Cross to aid them in a new plan to locate local men now recuperating in service hospitals so a suitable job in civilian life may be located for them and that they may be informed specifically of that arrangement. This the Committee of Narberth and Conshohocken of the Army and Navy considerably boosts their morale and materially aids in their more rapid recovery.

The committee was asked to suggest to all veterans to record their discharges in the Recorder of Deeds in Norristown. This will cost them nothing and protect them if they lose that precious paper.

## Two Enrolled For Nurses Aid Course

Narberth A. Shryock, 317 Cherry Bend, Merion, is among a number of undergraduate women at the University of Pennsylvania enrolled in a nurses aid course which is being conducted in the University Hospital under the auspices of the Red Cross.

After having completed a similar course some time ago, Kathryn Hammer, of Cynwyd, who also is an undergraduate at the University, is now devoting part of her time to hospital work as a nurses aid. Her home is at 323 Kent Rd.

peas, and garbanzo beans have been added to the point-free list of  
processed foods through June 30, the Office of Price Administration  
has announced. Points have been reduced on spaghetti sauce, soups,  
grape and tomato jams and preserves; apple, grape, mint and plum  
jellies; bakers' jellies and fruit butters. Points have been increased  
on cranberries and cranberry sauce; tomato juice in large con-  
tainers; canned or bottled dry varieties of beans (excluding soy, black-  
eye and garbanzo); tomato catsup and chili sauce; raspberry and  
strawberry jams and preserves. Reductions were made to move out  
last year's stocks before new supplies are available in great volume.

## BUTTER POINT VALUE REDUCED

The ration point value of creamy butter has been reduced from  
16 to 12 red points a pound, the OPA has announced. Margarine has  
been lowered from six to two points per pound. The new values are  
effective through June 3, 1944. This reduction was made possible  
by seasonally increased production.

## SEASONAL INCREASES IN POULTRY PRICES

Consumers will pay an average of two-thirds of a cent more a  
pound for poultry over a period of one year under an OPA ruling  
providing for seasonal increases in prices of chickens and other fowl.  
The new prices will continue through June of this year, and from  
January through June of next year. From July through December  
of this year the ceiling price will revert to the unadjusted base prices  
as listed in Table A of the Poultry Regulation. Premiums to the  
producers, which will be passed on at all levels of distribution, range  
from a low of a half-cent a pound in January to a high of 2.2 cents  
a pound in May.

## CHILD-CARE SERVICE AVAILABLE

The Office of War Information reports that approximately 20  
million dollars for extensive child-care services will be available dur-  
ing the fiscal year 1945 to meet the needs of working women with  
children. The Federal Works Agency is now financing the follow-  
ing services in connection with nursery schools or child-care centers:  
information centers for parents, health care, a visiting teacher service  
to work closely with parents on needs of children enrolled at centers,  
and some transportation of children between their homes and the  
centers. Communities where women with children under two years  
are needed for war work now may apply to FWA for funds to estab-  
lish group care for these children.

## TO REDUCE HOG PRICES

Ceiling prices on hogs weighing more than 240 pounds live weight  
will be reduced 75 cents per hundred weight on and after May 15,  
1944, the OPA said. The action is designed to discourage the use  
of corn and other essential grains in bringing hogs up to heavy,  
uneconomical weights.

## ROUND-UP

Civilians have been allocated 120,000,000 pounds of cheddar  
cheese for the quarter ending in June, WFA says. . . OPA announces  
that 10,000 new passenger automobiles and 12,000 new adults' bicycles  
will be available for eligible applicants in May. . . More than 41,000  
wives and infants were given medical and hospital care in March  
under the Emergency Maternity and Infant-Care program, accord-  
ing to the Department of Labor. . . Dairy owners will find it easier  
to purchase water heaters as a result of a WPB action removing re-  
strictions from sales of direct hand fired (solid fuel) hot water heaters  
of the following types: bucket-a-day stoves, dome-type water heaters,  
and service water and tank heaters. . . There was no net change in  
the average cost of living essentials between February 15 and March  
15 because lower food prices balanced higher costs of Spring cloth-  
ing, household equipment, and services, the Labor Department re-  
ports. . . Pot type oil burners may now be purchased by consumers  
without a preference rating, WPB says, but, in the case of new in-  
stallations, authorization for delivery of fuel oil must be obtained  
from PAW before purchase can be made. . . According to WFA, of  
an estimated 4,000,000 extra farm workers needed this year, it is ex-  
pected that about 1,200,000 will be boys and girls under 18 years of  
age and about 800,000 will be women.

## KNOW YOUR STATE

Despite the fact that it is the  
only state in the Union contain-  
ing two of the first ten American  
cities, Pennsylvania is one of the  
Nation's great agricultural states.  
It also leads all other states in  
the number of its small towns and  
cities, but is also the second state  
in the total number of its rural  
inhabitants.

To these facts can be added an-  
other of even greater importance  
to the welfare of our people. Sev-  
enty-eight per cent of Pennsylv-  
ania's 169,000 farms are operat-  
ed by their owners. This is a  
greater percentage of ownership  
operation than in any other im-  
portant agricultural state in the  
Nation, and only six states exceed  
Pennsylvania in the total number  
of owner-operated farms. The  
stability and continued prosperity  
of the State's farm population has  
been for 250 years a backbone  
for the steady progress of the  
Commonwealth in industry and com-  
merce. It is a matter of satis-  
faction to all Pennsylvanians that  
so large a proportion of our farms  
are still being run by the men  
and women who own the soil they  
till. Their interest in the con-  
tinued productivity of their fields  
and pastures is one of our best  
assurances for Pennsylvania's  
prosperous future.

## Warned to Keep Tire Inspection Records

Motorists are directed to keep  
their tire inspection records even  
though periodic inspections are no  
longer required according to Wil-  
liam H. Vallar, Chairman of War  
Price and Rationing Board of  
Haverford Township. Vallar fur-  
ther states that the tire inspec-  
tion form must still be presented  
to the ration board whenever ap-  
plication is made for gasoline or  
tire ration.

Anyone losing a tire inspection  
record may obtain a new one by  
proving his tires' serial numbers  
are the same as those on file in  
the Board office, or by showing his  
purchase of new tires authorized  
by the Board.

Need Young, Fast Outfield  
Manoa Nine Manager Says

"Give me a good, fast kid out-  
field and I'll be satisfied."  
That's the way George (Chick)  
Matthew, new manager of the  
Manoa A. A. baseball team, sums  
up his club as it prepares for the  
penultimate drive in the Main Line  
League, which opens Sunday, May  
21.

"I like a fast outfield," explains  
Matthew, who is succeeding W. E.  
Wemett as pilot, and I've been  
taking some time off to look over  
the local high school teams so that  
I might be able to line up the best  
group of youngsters available.  
They'll give us the speed we'll need  
for the balance because we'll have  
plenty of experience and punch  
otherwise."

The Manoa squad will be put  
through its first workout Sunday  
at Veterans Park, Manoa, and  
Darby Rds., where it will play its  
home games.

The township is in the process  
of renovating the Veterans Park  
diamond. The bank in right-center  
has been taken away and the dirt

filled in beyond what was the first  
base line. Home plate has been  
moved from the Manoa Rd. side to  
a spot deep in what used to be  
left field. The shifting of the dia-  
mond now provides a left field 320  
feet from home plate and a right  
field of 308 feet distant.

Due to a shortage of manpower,  
it won't be possible to build per-  
manent stands this year, but they  
will be erected as soon as condi-  
tions permit. In the meantime,  
Manoa expects to use the high  
school's portable bleachers.

Manager Matthew is planning to  
build his team around eight vet-  
erans. Bob Allison and Walt Cant-  
well again are available as pitch-  
ers. Allie Gwynn, assistant high  
school coach, is counted on as  
catcher and infielders Jackie Mil-  
ler, Larry Fife, Earl Spellman and  
Ted Westervelt are returning. Joe  
Riley is the only veteran outfield-  
er who has indicated he'll play.

Manoa is trying to arrange an  
exhibition game with Valley Forge  
Hospital for Sunday, May 14.

Black Zomba Poses  
For Camera Club

The Gladwyne Camera Club  
met Monday night at the Com-  
munity House. At the first Sunday  
day night every month some  
member has to supply a model.  
Last night Mrs. Cecil P. Harvey  
was chosen to supply the model.  
Over comes Zomba, a black An-  
gora cat. This is the first time  
that a cat was the model. The  
members enjoyed him immensely  
and gladly tried their art with the  
camera.

The first sea battle on record  
was between the Corinthians and  
the Ceryceans about 665 B. C.

Vital War Role for  
Springfield Water

Water is Vital Invasion  
Requirement

Large scale invasion operations require  
vast military supplies.  
Water supply is one of the most im-  
portant invasion requirements to a suc-  
cessful establishment of a beachhead.  
Thousands of water filled containers  
plus extensive water works equipment  
are part of invasion planning.  
Springfield Water is vital on the  
home-front—use it carefully.

Middle Aged Women in Tap Rooms Lead  
Service Men Astray, Says Policewoman

Mrs. Anna M. Brice, police-  
woman for women and girls of  
Chester, was the speaker at the  
meeting of the Oakmont-South  
Ardmore Women's Club Monday  
evening. Mrs. Brice said she pre-  
ferred to be called protective officer,  
as her work was rehabilitation.  
She said she did not think it was  
juvenile delinquency that was  
causing the crimes of today, but  
the middle-aged women in tap  
rooms leading the sailors and sol-  
diers astray, while their own chil-  
dren are at home alone and ne-  
glected. Mrs. Brice said she is going  
to give every girl she comes in  
contact with, a chance not to be  
booked on police records.

The speaker was introduced by  
Mrs. J. M. Hebb, chairman of

## MISSOURI USED TO QUAKE

What now is the state of Mis-  
souri had nearly 2,000 earth-  
quakes between December 16,  
1811 and February 7, 1812. The  
last was the most severe on re-  
cord in the United States.

health and welfare, who asked for  
articles for Camp Sunshine such  
as bathing suits, sweaters, felt  
hats, old kid gloves, jams and  
jellies.

Mrs. David Beattie, reported on  
a meeting of the American Aca-  
demy of Political and Social Ser-  
vice which she had attended and  
asked for volunteers to pack Sea  
Chests. She also asked for dona-  
tions of musical instruments, es-  
pecially harmonicas and games to  
be put in these chests.

Red Cross Chairman, Mrs. B. E.  
Milton, reported plenty of wool  
for knitters.

Mrs. Allen G. Center, who pre-  
sided, gave her annual report as  
president of the club and an-  
nounced that she would attend  
the State Federation meeting in  
Harrisburg, on May 15 and 16 ac-  
companied by Mrs. M. C. Cum-  
mings, the new president; Mrs. I.  
R. Warner White and Mrs. George  
Jarden.

Mrs. Center also reported on  
the Women's Forum she had at-  
tended and Mrs. E. L. Grubbs,  
hospitality chairman, announced  
that the reciprocity tea would be  
held at George's Church, May  
22nd at 1:30 P. M.

Hostesses for the evening were  
Mrs. Norris Hansel, Mrs. Frederick  
Gray, Mrs. H. E. Graf and Mrs. L.  
J. Geist.

Valley Forge Park Board Confirmed

Ardmore Man Is One Of The New Members Named

Appointment of 13 members of the Valley Forge Park Commission by Governor Edward Martin was confirmed by the State Senate Wednesday morning, as the Senate was convened in special session to adopt legislation permitting an easier method of voting for men and women in the armed forces.

County Commissioner Fred C. Peters was in the Senate Chamber when the confirmation of the appointments was given.

Of the 13 members, nine are re-appointments; four having been appointed about one month ago. The new members are Major General William G. Price, Jr., Ridley Park; Brigadier General Milton G. Baker, Wayne; Mrs. Charles M. Mower, Phoenixville and Orus J. Matthews, Ardmore.

Re-appointed are: Major General E. C. Shannon, Columbia; Ralph M. Wynne, York; William J. Clothier, Valley Forge; Mrs. Stacy B. Lloyd, Philadelphia; Mrs. Bessie Dobson Altman, Philadelphia; Dr. Walter L. Wright, Lincoln University; Mrs. Joseph G. Forney, Lancaster; Norris D. Wright, Norristown; and Colonel William Innes Forbes, Villanova.

At a recent re-organization meeting of the Commission, General Shannon was named Chairman; Colonel Forbes, Vice Chairman; Norris D. Wright, Trustee; and Gilbert S. Jones, Executive Secretary.

The present personnel of the commission consists of three members each from Montgomery, Chester and Delaware Counties and two each from Philadelphia and Lancaster.

Post-War Reconstruction Discussion of post-war reconstruction work at Valley Forge Park will feature a meeting of the Valley Forge Park Commission to be held this afternoon at Huntingdon headquarters.

Meeting with the Commission are Mark S. James, Executive Director of the State Post War Planning Commission; Secretary of Forests and Waters, James A. Kell; and State Secretary of Commerce, Floyd Claiborne.

Plans of the Commission are said to be realization of the program for complete reconstruction of buildings, etc., at the park during the post war period, and the meeting today with the State officials is for the purpose of making further plans for that goal.

At The HAVERFORD CENTER

The out-of-doors activities have gone into full swing at the Haverford Community Center with the boys and girls playing badminton, paddle tennis and baseball.

There were about 300 spectators at the opening game of the baseball league on Sunday, April 30 when Mother of Good Counsel defeated the Natalie A. C.

The baseball game between the Mother of Good Counsel Grammar School and St. Thomas also drew about 300 spectators. Mother of Good Counsel won by a score of 6-3.

The Scotties had their skating party on Friday, April 29.

The Chit Chat Club members are busy making emblems for the Club.

On Friday afternoon movies were presented to the children. The movies concerned adventures of bear cubs, underwater fishing, the burning of the dirigible Hindenburg and a comedy.

FASHION

You can present a neat and tidy appearance while doing house chores by wearing one-piece shorts and shirt, modestly disguised by separate skirt with ruffled apron effect, shown above as pictured in the April issue of Good House-keeping magazine.

Red Cross Asked To Double Surgical Dressing Output

The American Red Cross has been asked by the War Department to double its output of Surgical Dressings. To date, materials have been scarce, however, Bala-Cynwyd has recently received a three months supply. Mrs. Harriet H. Ramsay, Surgical Dressings Chairman, is asking the aid of local residents.

In meeting the new and increased quota of this Branch, everyone who can give a few hours a week is urged to do so at Bala-Cynwyd Headquarters, Montgomery Avenue at Cynwyd Station. The Branch is open daily Monday through Friday from 10 to 4, and Wednesday evening, 7:30 to 10.

The Southeastern Pennsylvania Chapter recently received a letter from Colonel John W. McKoin, Jr., stationed at the 8th Evacuation Hospital, somewhere in Italy. He said in part: "I thought you would be interested to know that the splendid surgical supplies prepared by you actually have come to war. We are using these supplies, prepared by your members, in treating Allied battle casualties, directly behind the lines. Your work has not been in vain, and is contributing immeasurably in the recovery of our soldiers. From all of us, God bless you and thank you."

NATIONAL PRESS BUILDING WASHINGTON, D. C.

By Anne Goode

Have you seen the new mother and daughter apron sets? They come in all colors of fairy tale prints and make perfect gifts. They'll also encourage the young miss to take an interest in cooking.

Although you don't have to turn in an empty tube to get more toothpaste, WPB salvage division urges us to save and turn in all collapsible tubes.

Your jars of real mayonnaise should never be placed close to the freezing unit in the refrigerator. It is only necessary to keep real mayonnaise at a moderate temperature about 50° to 70°.

Some people will buy anything, but do beware of glib salesmen who are selling "Mexican nylons" saying they'll be just like American ones if kept in the icebox for two weeks. They're rayon!

To keep green color in your fresh spring vegetables, cook them in open saucepan and in very little water. Use left-over vegetable liquid in soups and gravies.

Here's a time-saving sandwich hint. Mix vitaminized margarine with your sandwich spread and you'll have to spread the bread only once.

January onion stocks were lowest in 10 years. . . . Use a smidgen of garlic for seasoning when you can't get onions. Or keep a pot of chives on hand.

Tangerine syrup may substitute for apple syrup due to the shortage caused by the short 1943 apple crop.

County Fliers Are Killed In Action

Lt. Henry of Rosemont Was Thunderbolt Plane Pilot

Staff Sergeant William K. Tomlinson, Jr., 22, was killed in action March 22 in the Southwest Pacific area, his wife, Rae, of 316 Inman Terrace, Willow Grove, was notified last week on their first wedding anniversary. A graduate of Upper Merion High School, he was a waist gunner on a Liberator and had completed 23 missions. He entered the service in August, 1942, and went overseas in June, 1943.

First Lieutenant Justus D. Henry, Jr., 25, a Thunderbolt pilot, was killed in action March 8 according to a War Department telegram received by his parents, Mr. and Mrs. Justus D. Henry, of 106 Peirce Ave., Rosemont.

Holder of the Distinguished Flying Cross and the Air Medal with three Oak Leaf Clusters, he had completed 60 missions. He was killed while strafing a German airfield, the telegram stated.

He was a graduate of Hatboro High School and enlisted in the Air Forces in 1939. He served as a radioman on a bomber until shortly after Pearl Harbor when he became an Air Cadet. In September, 1943 he was sent overseas. A brother, Technical Sergeant Ralph M. Henry, is stationed with the Air Forces in England.

Hawks Winner In Brookline League

Outstanding Award Goes To Knave Of Eagles

The Hawks, captained by Bud Boyle, captured the championship laurels of the Brookline Bowling League in the play-off on April 25 by soundly trouncing Merrill Strobe's Cardinals, second half winners. The Hawks team of Boyle, Martin, Carey, Morris and Davis won the first two games and had a 335 pin advantage for the three games. Ed Davis was the big gun in the Hawks attack, while Bud Boyle and John Martin each bowled in excess of their league average. The rolling of Walt Perry and Russ Winner was outstanding for the Cardinals.

Individual and team prizes were awarded at the first annual banquet held at the Yeadon Legion Hall on Saturday. Team prizes went to the Hawks for first place, Cardinals for second place and Eagles for third place. Jack Knave, of the Eagles, proved to be the outstanding individual bowler of the League with high average, high single and high three. Under the League rules, however, he was only entitled to receive a prize for his high average of 172.

Struck, president and captain of the Bears, was second with 168. Jim Hines, captain of the Eagles, took third prize with 166.

Prizes for high three were awarded to Dwight Hancock, of the Bears, with 650; Ed Linden, of the Robins, 624; and Roy Stiber, Eagles, 604. Bud Boyle of the Hawks won high single with 268; Stet Sheldon, Lambs, was second with 250, and Nels Nelson, Cardinals, third with 245.

The following officers were elected to serve for the ensuing year: James J. Hines, president; John Wahl, vice president; Dwight Hancock, secretary; Hugh Boyle, treasurer and John Gardner, statistician.

The Hawks, captained by Bud Boyle, captured the championship laurels of the Brookline Bowling League in the play-off on April 25 by soundly trouncing Merrill Strobe's Cardinals, second half winners. The Hawks team of Boyle, Martin, Carey, Morris and Davis won the first two games and had a 335 pin advantage for the three games. Ed Davis was the big gun in the Hawks attack, while Bud Boyle and John Martin each bowled in excess of their league average. The rolling of Walt Perry and Russ Winner was outstanding for the Cardinals.

Individual and team prizes were awarded at the first annual banquet held at the Yeadon Legion Hall on Saturday. Team prizes went to the Hawks for first place, Cardinals for second place and Eagles for third place. Jack Knave, of the Eagles, proved to be the outstanding individual bowler of the League with high average, high single and high three. Under the League rules, however, he was only entitled to receive a prize for his high average of 172.

Struck, president and captain of the Bears, was second with 168. Jim Hines, captain of the Eagles, took third prize with 166.

Prizes for high three were awarded to Dwight Hancock, of the Bears, with 650; Ed Linden, of the Robins, 624; and Roy Stiber, Eagles, 604. Bud Boyle of the Hawks won high single with 268; Stet Sheldon, Lambs, was second with 250, and Nels Nelson, Cardinals, third with 245.

Gardeners To Be Given Extra Gas

Will Be Allowed Up to 300 Miles Says Vallar

Special gasoline rations to travel to and from garden plots will again be granted victory gardeners this Summer, according to William H. Vallar, chairman of War Price and Rationing Board of Haverford Township. The ruling, effective April 5, allows for travel up to 300 miles during the season.

Vallar further states that the provisions are practically the same as last year's.

(1) A minimum of 1500 square feet devoted to vegetables.

(2) He must make a ride-sharing arrangement, or show why one is not feasible.

(3) He must show that no other means of travel is available.

(4) The garden must be near enough to the applicant's year-round residence so that he can average two visits a week during planting, cultivating and harvesting, without requiring more than his 300 mile allotment plus whatever he has available in his basic "A" ration.

Two million more victory gardens will be needed this year, with quality perhaps even more important than quantity. A beginner might more profitably cultivate a small plot, say 30x50, giving it prime care than a much larger plot that can only be half tended. For the more experienced, a garden 100x200 will take care of the table needs of an average family during growing season, and provide snug surplus for canning and storing.

Llanerch Girl Elected Manager

Miss Betty Eliason, daughter of Mr. and Mrs. John Eliason of 27 E. Langhorne Ave., Llanerch, has been elected swimming manager at Goucher College, Baltimore, Maryland. Miss Eliason is a member of Alpha Phi fraternity and resides at Mary Fisher Hall.

MISS EDNA HINKLE

Mrs. Edna E. Hinkle, 1836 Bellmeade Ave., South Ardmore, announced this week the engagement of her daughter, Edna, to John P. Murphy, U. S. N. son of Mrs. Priscilla Murphy, Frackville, Pa., who is stationed at Memphis, Tenn.

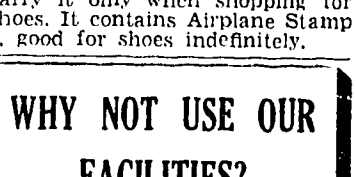

Miss Hinkle is a graduate of Haverford Township High School.

Says Ration Book Supply Getting Low

Housewives who come to their ration boards with a sad tale of ration books burned by mistake, or chewed by the dog, or lost, strayed or stolen, according to William H. Vallar, Chairman of War Price and Rationing Board of Haverford Township may have a long wait for meat and processed foods.

Vallar further states that no more ration books are to be printed until further notice, and replacement is going to get harder all the time. As Ration Book Four is the only book now getting heavy use, since it contains all stamps used for food, housewives are strongly urged to take extra care of it. Book Three will be equally difficult to replace, so carry it only when shopping for shoes. It contains Airplane Stamp 1, good for shoes indefinitely.

First Issue of Cub Paper Distributed

Awards Given to 8 Boys at April Meeting

The first issue of the Cub Pack Newspaper was distributed at the April meeting of the Manoa Cub Pack 11 held Friday evening in the Manoa Public School. This paper is published by the Cubs with Blair Simon as editor and a regular staff of six assistants with one reporter for each den.

The meeting was attended by 55 Cubs, 53 parents and five visitors, among whom were Frank B. Beckett, chairman of Oakmont Cub Pack; George Schaeffer, assistant Scout Commissioner; and Edward B. Lord, assistant Scout Master of Manoa Scout Troop 2.

Awards were given to the following Cubs: Kenneth Fisher, Kenneth Rush, Willis Stephens, Alan Stockell, Charles Kenyon, Walter Matthews, Ethan Weiss, and Paul Getz who was also graduated from the Pack and accepted as a member of Manoa Scout Troop No. 2. Austin Croenank, transferred from West Philadelphia, was welcomed as a new member of Pack 11 and the Cubs with birthdays in April and May received their new books.

It was reported that the April Pansy sales netted the Cub Treasury over \$100.

The next meeting of the Pack is scheduled for May 26th and the May theme will be Cub Farmers and each boy is to help with Victory Gardens and Lawn work by growing vegetables, making markers, poles, window boxes and lawn ornaments.

Is Your DOG A "Fussy" Eater

Well, with all the changes that have taken place in dog foods, your poor dog probably does not know what he is eating. Why not start now and give him a daily meat meal? You'll see a change in him right away. Just call us for delivery of any of our food items. Tell your friends, too.

## Counties Plan For Future Air Traffic

Authorities Say There Will Be 500,000 Planes in Service

Delaware and Montgomery County officials will work with other officials of the Philadelphia metropolitan area in planning for the greatly increased air traffic that is anticipated after the war. An outline of the problems with which they will be faced was given to representatives of the two counties at a conference in offices of the City Planning Commission, Philadelphia, last Thursday.

A committee composed of State and Federal aviation authorities, county officials, Philadelphia planning officials and representatives of business interests gave the subject a preliminary going over, at which it was brought out that:

(1) Trucking companies are already considering the possibility of establishing unscheduled air freight lines as well as scheduled air freight lines.

(2) Department stores are interested in the possibilities of feeder line service spreading out like a network to smaller communities.

(3) Civil Aeronautics Administration experts estimate there will be 500,000 planes of all types in the country within 10 years after the war, compared to 25,000 privately owned planes prior to the war.

(4) Unless planning is done now on a metropolitan area basis, "we can find ourselves overnight in a condition which the automobile took 20 years to develop in regards to highways."

The first step in procedure agreed upon by the committee includes: obtaining necessary data from the surrounding counties in Pennsylvania and New Jersey to show cities and towns, industrial sections, wealth densities, types of housing, business areas, together with trends and developments anticipated; Correlation of this data by aviation authorities loaned to the committee by the C. A. A. and the State.

Montgomery's representatives at the conference were: Warren P. Cressman, county engineer; C. O. Cooke, county superintendent of roads and bridges; Robert M. Cameron, public relations man for the county.

## New Bell Manager For Hilltop Exchange

Several changes in the executive personnel of the Upper Darby district of the Bell Telephone Company were announced last week by William S. Fort, district manager of the company.

John M. Wright, former public office manager in Northeast Philadelphia, comes here as manager of the Boulevard, Clearbrook and Cusack central offices.

Carl P. Schweizer, manager of those offices, becomes manager of the Darby, Decatur, Hilltop, Madison, Newtown Square, Sharon Hill and Tincum central offices, with headquarters in Upper Darby.

## HIGH NOTES

By DAVID MALICKSON  
Class of 1945, Lower Merion High School

### Planning Assemblies For Next Year

Under the direction of Miss Margaret Major and Mr. Charles Hutton, the Student Assembly Planning Committees are laying the framework for next year's assembly programs. Each year the current committees select some of the paid as well as "donated" performance for the next term. Students—as well as faculty members—many times this year, have voiced their disapproval of the selected programs. It is hoped, therefore, that this committee will carefully weigh their decisions before making any of them final.

Members of the Committee are: for the "B" assembly—Ruth Riddle, Greta Mahon, Bob Quillen, John Balatow, Jim Doyle, Jack Long, Maxine Lipman, Jessie Cowie, Ann Millroy; for the "A" assembly—Perry, Bill LaCelle, Jean DiPelle, Tom McCullough, Bud Whitney.

Miss Major has announced that the assembly program on May 10—Senior Extemporaneous Contest—will be the last one for the "B" assembly studies this year.

### Nation Honor Society Induction

Members of the Junior and Senior Class who have been elected by fellow students to the Honor Society will be inducted into this nationwide organization Friday, May 12 at 2:00 P. M., in the Downs Gymnasium.

Mimeographed sheets on which appeared the names of students who were eligible to be admitted to the society (good scholarship is the first requirement, it alone, however, is not sufficient endorsement for membership. The student must also have given service to the school in some way, and also rank high—in the judgment of students and faculty members—in leadership and character) were given to all members of the society who were on the basis of those points mentioned above. The public is cordially invited—as it is at all school functions—to attend the ceremony.

### Choir-Orchestra To Present Program

The A Cappella Choir, under the direction of Mr. John Raymond and the L. M. Orchestra, conducted by Dr. Bruce Beach, will present a combined musical program in the auditorium on May 12 at 2:00 P. M., in the high school auditorium.

### Graduating Class Shorts

Ivy Day, a traditional Lower Merion custom, will be held this year on May 31, outside (weather permitting) on the front court, at 10:00 A. M. By popular ballot, Don Palmer was selected Ivy Day Orator, Peggy Heebner, "44—Snow Queen—will be Ivy Bearer, while Dick Whiting is to be Spade Man. It has been the past custom for the Senior Class to bring back from their trip to Washington, D. C., a spray of ivy from Mount Vernon. Due to war conditions, however, the trip had to be cancelled and therefore the ivy will have to be procured from other sources. During these exercises, awards will be presented to Lower Merion's "unsung heroes" who have given much of their time before and after school hours to various tasks about the building (Janitor work doesn't count, tough Calhoun). During the past week members of the various classes have contributed original poems fitting for Ivy Day to the Senior English Department. The winning poem, as selected by faculty members, will be read by the poet during the program.

Bob Healey and Helen Lester have been selected by the Senior students as their student speakers at Commencement on June 2nd.

The Senior Play, "George Washington Slept Here," sponsored by the Senior Class filled the auditorium on both evenings, April 28-29, with audiences between 1300-1350 in all. The final "take" had not been computed by Charles Hutton, class sponsor, at the time of this printing. It is believed, however, that the ticket sellers will be able to defray the cost of their commencement gowns, etc., by quite a wide margin.

Mr. Alan B. Sampson, who took over the responsibility of producing the Senior Play for the first time, made public the following statement this week:

"If our audiences enjoyed our production of 'George Washington Slept Here,' then all of us feel that our labors of the past six weeks have been fully justified. By far the greater part of the credit belongs to the members of the cast, for they sacrificed much to make this play a success. They also happen to be a group of people with whom it was a pleasure to work; their cooperativeness and fine spirit were apparent at all times. And the same may be said of the property committee, stage crew, and an endless number of other individuals and committees. We are also greatly indebted to the administration and to the faculty, who have helped in so many ways. Finally we were fortunate to have audiences that were friendly and appreciative."

Baccalaureate Service this year will be held May 18.

Flashes . . . The hypnotist, who appeared in the "B" assembly some time ago, and who was to appear again for the "A" group will not do so because of numerous complaints from parents about his topic . . . Buncle Day which was held at L. M. on April 28 was a very poor show by the standards of the L. M. student is supposed to be. Probably it can be traced to the fact that students are "fixing them up and making them do" or else had already made such contributions to the various agencies.

### Future Events

May 5 . . . Choir sings at Bala-Cynwyd Junior High, 1:30 P. M.  
May 10 . . . Honor Society Inductions  
May 10 . . . Assembly "B"  
May 12 . . . Spring Concert  
May 12 . . . Senior Extemporaneous Contest Finals  
Salvation Army Needs Your Help Now!

## Penfield Civic Bowling League

The Bulldogs came out fighting last Wednesday, and after sinking their teeth into the Bisons, held on to take 4 points and knock the Bisons out of first place in the standing of the Penfield Civic Bowling League. The Woodpeckers, the threat from Penfield Downs took 4 points from the Possums and upped themselves into first place.

In the final games next week the woodpeckers will play the Bears, and the Bisons are matched against the Lions. This looks good for the Woodpeckers, but we still have the Foxes and the Hawks close enough to cause a little speculation about second place.

High single honors went to Lloyd Young, captain of the Hawks, with a 226 game. Howards Laney also of the Hawks was not far behind with 214. George Pocock of the Lions rolled 209. Bill Buchanan of the Foxes 207 and George Bromley of the Bulldogs an even 200.

### Standing of the Teams

April 26, 1944	
MEN	
Woodpeckers	42
Bisons	40
Foxes	38
Hawks	37
Bulldogs	35
Possums	33
Cooms	33
Lions	30
Beavers	27
Tigers	24
Eagles	23
Bears	22
WOMEN	
Red	46
Blue	18

All plans have been made for the banquet to be held on Wednesday evening, May 17, at 7 o'clock at the Overbrook Country Club. An orchestra has been engaged to provide music for dancing to follow the dinner. Prizes will be awarded and officers for next season will be elected. About 150 persons are expected to attend.

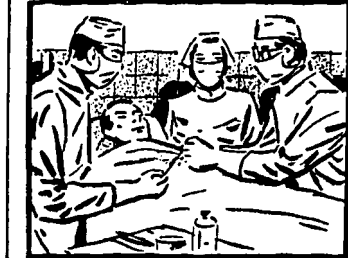

## V.F.W. Auxiliary Appoints Chairmen

Mrs. Elwyn Chase, president of the Ladies Auxiliary of the Harold K. Kline Post 331 Veterans of Foreign Wars, appointed the following chairman at the meeting held Monday evening at the home of Mrs. Herbert Orth, 205 Hahnway La., Herwood.

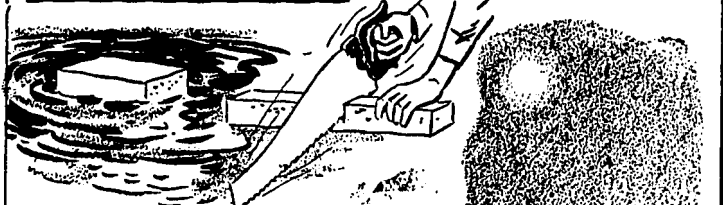

Mrs. Elwyn Chase, of South Ardmore, Hospital chairman; Mrs. Herbert Orth, Rehabilitation chairman; Mrs. James Dewees, Oakmont, Membership chairman; Mrs. Samuel Hibbard, Oakmont, Ways and Means chairman; Mrs. Florence Kluge, of Brookline, War Service chairman, who announced that she had received word from the Red Cross for sweaters and gloves.

Tentative plans were made for a paper products demonstration to be held at the home of the president, Mrs. Elwyn Chase, early in June and it was announced that the next meeting would be held June 5th at the home of Mrs. Florence Kluge, 310 Oxford Rd., Brookline.

## Bala-Cynwyd Junior High

By GUITA ZIMMERMAN

"La Rue Bayou" The Bala-Cynwyd Junior High School will present its fifth Activities Fund Program, "La Rue Bayou," in the junior high school auditorium on Thursday and Friday evenings, May 18 and 19 at eight o'clock. In order to promote the sale of tickets, the different home-rooms are competing to determine which room will sell the most tickets. Beside the competition of all the home-rooms, honor will be conferred on the individual pupils who sell the largest number of tickets.

For every ten tickets sold, a free one is given. An unusual and unique method of keeping the score for the winners of this contest has been planned. In the show case in the front hall of the school is a map with Tokyo as the goal. There are miniature airplanes suspended over the map. These planes are numbered to correspond with the home-room they represent. If a home-room has not sold any tickets their plane is on the ground with motor trouble. The plane that reaches the target first is the winner of the contest. In other words, it is the home-room that has sold the most tickets. At the present time room 43 is in the lead. The next number on the program was a trumpet trio made up of Russell Long, William Epp and Lloyd Grander. They played "The Three Ripples." Following this a euphonium solo entitled "Rocked in the Cradle of the Deep" was given by Henry Smith. By request, Brian Buckles played on the piano "Claire De Lune" by Debussy. Boyer Veitch and Robert Albrecht played a saxophone duet called "Blue Skies." Robert Betts, George Morris and Neubert, instrumental music teacher, formed a clarinet trio, and played "Nocturne in E." To add to this program of exceptional music, the entire orchestra played two selections at the beginning and at the end of the concert.

### Music Organizations

On Friday, April 21, members of the orchestra and the choir played various selections to an appreciative audience in the school auditorium of the Bala-Cynwyd Junior High School. The first musical selection played by Hugh Boda, an eighth grade member of the orchestra, was a violin solo, entitled "Solve's Dream" by Grieg. Mary Jo Churchill, a ninth grade member of the choir, sang "Summertime" by Gershwin, and "Over the Rainbow" by Arlen. A flute solo was given by seventh grade Geneva Grosz. She played "Dark Eyes." Lillian Grainger, also a member of the choir, sang "By the Waters of Minnetonka" by Lieurance and "Star Dust" by Carmichael. The next number on the program was a trumpet trio made up of Russell Long, William Epp and Lloyd Grander. They played "The Three Ripples." Following this a euphonium solo entitled "Rocked in the Cradle of the Deep" was given by Henry Smith. By request, Brian Buckles played on the piano "Claire De Lune" by Debussy. Boyer Veitch and Robert Albrecht played a saxophone duet called "Blue Skies." Robert Betts, George Morris and Neubert, instrumental music teacher, formed a clarinet trio, and played "Nocturne in E." To add to this program of exceptional music, the entire orchestra played two selections at the beginning and at the end of the concert.

Coming Events  
May 12—Mother's Day (Hobby Show, Fashion Show, Art Exhibit).  
May 18 and 19—Fifth Activities Fund Program—"La Rue Bayou."  
June 12—Junior High Night (graduation).

## Civic Association To Hold Picnic

The Ridgewood Park Civic Association made plans to hold a family picnic early next month at the meeting of the Association held in the Manoa Fire Hall 1st Monday evening. Robert Glass, of Sunny Hill Lane, was elected chairman and will be in charge of the affair.

H. O. Potts, who presided, announced that the next meeting would be held May 29th.

## Dance Recital

The Elsa Huber School of Dancing will hold its annual recital Saturday evening, May 6, in the Haverford High School auditorium. The recital is in honor of National Dance Week, and the proceeds will go to charity.

## PARTNERS IN VICTORY

## LAUNDRIES AND FIGHTING FORCES

Professional laundries are doing 85% of the laundry work for the Army Air Force and over 55% of the work for all the fighting men clean and healthy.

But that's only ONE way laundries are helping. Right here at home our laundry workers are doing the family washing for hundreds of local women, giving these women full time for war jobs or other patriotic activities.

So if your laundry is delayed occasionally you will realize that our share of these extra burdens, and help shortages, are playing havoc with our schedules.

## ST. MARY'S LAUNDRY

A Certified Laundry

ARDMORE

## Sports Scene

Continued from Page 1

in the Catholic League, 59½ to 48½, on Tuesday.

Upper Darby retained the Suburban Conference one-mile relay championship at the Penn Relays last Friday, being extended to a 3:34 effort, fastest schoolboy mile of the day, by Lower Merion, which finished second, Norristown was third.

In the special class one mile relays on Saturday, Lower Merion also finished second in a race won by George Washington of New York in 3:33. 7.

Haverford School retained its Interac League mile relay title by beating Friends Central, Germantown Academy and Episcopal in that order in one of Saturday's schoolboy features on the Franklin Field. The time was 3:33.

Haverford still holds undisputed possession of first place in the Interac Baseball League as a result of beating Episcopal, 4-1, on Tuesday behind Craig Hebertson's one-hit pitching. The only pitcher to master Hebertson to date is Lower Merion's Phil Harman.

Manoa A. A.'s baseball team will have a big league background. Their new uniforms are the same outfits used by the Athletics last year on the road. The only change is that the "As" has been removed and an "M" substituted.

Joe Casselberry, Upper Darby High, won the individual bowling title in the second annual Suburban tournament sponsored by Lower Merion High at Ardmore Recreation. Casselberry rolled 198, 182, 174, 145, 177 and 190 for 1039. He beat Everett Russell, West Chester, by 77 pins. Upper Darby also won the team trophy.

Indications of a successful local baseball season: More than 100 fans sat in the stands and watched Narberth's informal practice last Sunday.

Jimmy Keyes, Narberth field manager, says he's had more calls from players seeking try-outs than he has in the last five years. One reason: The Main Line League is the only major semi-pro circuit operating on Sundays this year.

The Madeira, tributary of the Amazon river, is nearly 3,000 miles from source to mouth.

## SPEED FAT COLLECTIONS

THE EXPRESSMAN TAKES A HAND

AMERICAN housewives are taking an active part in the household fat salvage program of the War Production Board, because they know that every pound they save produces products and by-products vitally needed in the making of munitions and medicines, for our boys on the fighting fronts.

In 1918, they turned in for salvage approximately 120,000,000 pounds. Now, the OPA has authorized two meat ration points and four cents for every pound brought to food stores and meat shops and the 1941 goal is 230,000,000 pounds.

The Railway Expressman is lending a hand in hurrying the movement of fat collections from the volunteer meat dealer collectors to selected rendering plants, thus speeding up production of materials for war needs.

How about your used kitchen fats—are you saving them and turning them in promptly? Whenever you do, you may be saving the lives of the American boys fighting our enemies on many battlefronts!

## Conover in Charge Of Public Relations

Election of George R. Conover as vice-president in charge of personnel and public relations of the Philadelphia Electric Company has been announced by Horace P. Liversidge, company president.

Conover, former managing director of the Electrical Association, past president of the International Association of Electrical Leagues and the Electrical League of New Jersey, is a registered electrical engineer. He recently won the Grand National Award, Legion of Honor, of the Edison Electric Institute.

Prior to his coming to Philadelphia in 1929, Conover spent 10 years with the Public Service Electric and Gas Company of New Jersey. Following his successful directorship of the Electrical Association of Philadelphia, he was appointed manager of public relations of the Philadelphia Electric Company which later was combined with the personnel division.

## HERE ARE THE FACTS

**THE NEED**  
The seven-county industrial area centering on Philadelphia and Camden needs 34,256 additional workers NOW—to replace men called to the colors and to meet a 26 per cent increase in the demand for war goods we produce.

**THERE'S A JOB OPEN FOR YOU**  
This need, plus the need of non-war businesses, means there is a job open for every man or woman in this section who wants to do his or her part in speeding victory.

**WHERE TO GO**  
A list of jobs open in plants and businesses needing you is on hand at any United States Employment Service office listed below, or at the three offices of the Philadelphia Council of Defense, the addresses of which are shown opposite. Go to any of these for full details of jobs open, the rate of pay and the hours.

**THE KIND OF JOBS OPEN**  
The greatest need is for unskilled men and women workers in war plants and for women to take jobs in distrib-

**GET WAR JOB INFORMATION AT THE OFFICE OF THE PHILADELPHIA COUNCIL OF DEFENSE**

The office of the P.C.D. at 1725 Chestnut Street has been designated as official headquarters of the "Work to Win" Campaign. This organization also has branch offices at 61st Street and Woodland Avenue and at 7140 Germantown Avenue. At these offices you can get information about jobs open, hours and rates of pay.

Eight neighborhood Defense Volunteer offices are also serving as official war job information centers.
